12:00 pm – Museum is open for you to wander and visit.

**Electric Phrenology
Helmet**

The Spark Museum of Electrical Invention offers an exciting and educational experience for audiences of all ages. Compelling, interactive exhibits spanning four centuries of scientific achievement and cultural heritage are featured in a world-class collection of unique objects. The Spark Museum displays the inventions and innovations that changed the course of human history. [Spark Museum Website](#)

MegaZapper: The Museum is offering an awesome exclusive and private MegaZapper Electrical Show for IEEE PES members and their guests. The Show features the MegaZapper, one of the largest Tesla coil "lightning machines" in the country, where, for a donation, adult visitors (18 years of age and older) can enter the Lightning Cage and get up close and personal with 4 million volts of loose electricity! The show is not suitable to children under the age of 5.

Strowger Telephone

If you have never seen this museum it is a wonderful place to look at electrical equipment in its early beginning.

Other things to do:

- Stay afterwards and go visit the historic Fairhaven [District](#) for great food or visit one of Bellingham's micro [brews](#).
- If the weather is good, you can even [bicycle](#) the water front.
- Stop by Edison, yes there is an Edison with a great Edison [Bakery](#) by taking Chuckanut drive on the way in or the way home.

RSVP Instructions: Space for this event is limited to 30 attendees. Children are welcome. Each person including children in your group must be individually registered. Arrange your own travel to be there at 9:45am. You need to be on time as this is a private MegaZapper show ahead of the Spark Museum general audience opening at 11:00am.

To sign up for this event, please register directly using the IEEE Vtools registration system located [here](#). IEEE PES will pay for the General Admission and Group Tour costs. There is a small \$5.00 fee per person to cover some door prizes.

Non-IEEE PES members and students are welcome to attend.
